This is the throwing order that Rabbitdarts Dart Boards are setup for when playing from the League Menu.

(Note: the Game order is 4 games of 501, 8 games of Cricket and four more games of 501).

To read the grid above reference the player against the order for each game.

- In Game 1: The Home Team Player 1 will throw first.
- The Visiting Team Player 1 will throw second.
- Home Team Player 2 will throw third
- And Visiting Team Player 2 will throw fourth.

Reference the grid to see which games and from what position each player will throw.
